MARINER

"Beside Lake Erie's water blue stands dear old Harbor High;
Her friendliness, her spirit true, her fame will never die.

Harbor, dear Harbor High, thy name we love!
Send forth thy guiding light reflected from above.

Purple and gold shall be colors of royalty;
We pledge our loyalty, Harbor, to thee!"

TOPKY MEMORIAL LIBRARY

We, the class of 1962, dedicate this edition of THE MARINER to a woman who has given Harbor High School many years of dedicated service. A highly educated woman, she has imparted to her many students a wealth of knowledge in the fields of language, literature, and journalism.

Her helping hand guides the students of our school who publish our paper, THE MARINER. To her falls the task of preparing seniors for the English courses that they will encounter in institutions of higher learning. All of these duties she performs diligently.

She is a delightful woman, whose qualities of understanding and humor have endeared her to all of us. Anyone who has had the joy of knowing her can understand why we, the Seniors of 1962, happily dedicate our yearbook to Miss Mary M. Boyce.

ADMINISTRATION

To the Senior Class of 1962:

We wish to congratulate the class of 1962 and offer our best wishes for future success and happiness.

When deciding upon your future occupations or careers, make your choices something worthwhile, something that will be enjoyed by you and be of service to your fellow man.

As you begin to travel life's highways in an era where the achievement of excellence is becoming more and more imperative, you must remember that time is short and there is so much to do that you must grasp every opportunity to be of service and to seek improvement.

There is no secret formula for success. Your level of greatness will not come cheaply or easily. It will require a tremendous expenditure of independent effort that may be at times extremely frustrating, but the rewards for the fulfillment of your destiny will reflect the difficulties encountered in your perseverance in attacking these difficulties. Those who have gone on before have left us a heritage that should be appreciated.

You have received your training and you have the ability to achieve a measure of success. Do not disappoint your family, your friends, your community or yourself. The best wishes of the Board of Education, the faculty, the administration and the community go with you as you leave Harbor High School.

Sincerely yours,
Fritz F. Jacobs, Superintendent

MARK SHAUGHNESSY

DAVE FLOOR

Senior Class officers for the year 1961-1962 were the following: president--Mark Shaughnessy, vice-president--David Floor, secretary--Merle Raisanen, and treasurer--Kaye Andres.

The main project of our class this year was to finance our yearbook. We had many money-making projects, including a dance and a chicken dinner.

Throughout our years at Harbor High, our class has been involved in such projects as fish fries, car washes, dances, sale of stuffed animals and sweatshirts, and, of course, our prom. We'll never forget the fun we had working together as a group.

We have been fortunate to have good leadership in our class activities. We salute you, our officers--Babe, Dave, Merle, and Kaye.

Mr. and Mrs. Frank Martin, Frank Martin and Hans Stolz.

EXCHANGE STUDENT

Hansjorg Stolz, whose home is in Tubingen, Germany, was a member of our class this year. He was friendly, well-liked, and will be missed by all when he returns to his native land.

Hans arrived in Ashtabula on July 26, 1961. His home was with the Frank Martins. The Martins' son, Frank, was also a member of our class.

Hans liked his year at Harbor High very much. He said that the standards of our school were very different from those of the school that he attended in Germany. When he returns home, Hans will have to complete two more years of schooling before he can graduate. Then he hopes to return to the United States to further his education.

When questioned about what he thought of the United States and our government, Hans replied, "I like the United States very much. I especially admire the strong support that the people give to their government."

Mr. Wood

Mr. Blake has been our class advisor since his arrival at Harbor High at the beginning of our sophomore year. He has successfully guided us through many bake sales, fish fries, sales of sweatshirts and stuffed animals, and class dances. We are very grateful for the time and help he so willingly gave us while we were working on our prom. We feel that we were very lucky to have Mr. Blake for our advisor.

Thank you, Mr. Blake.

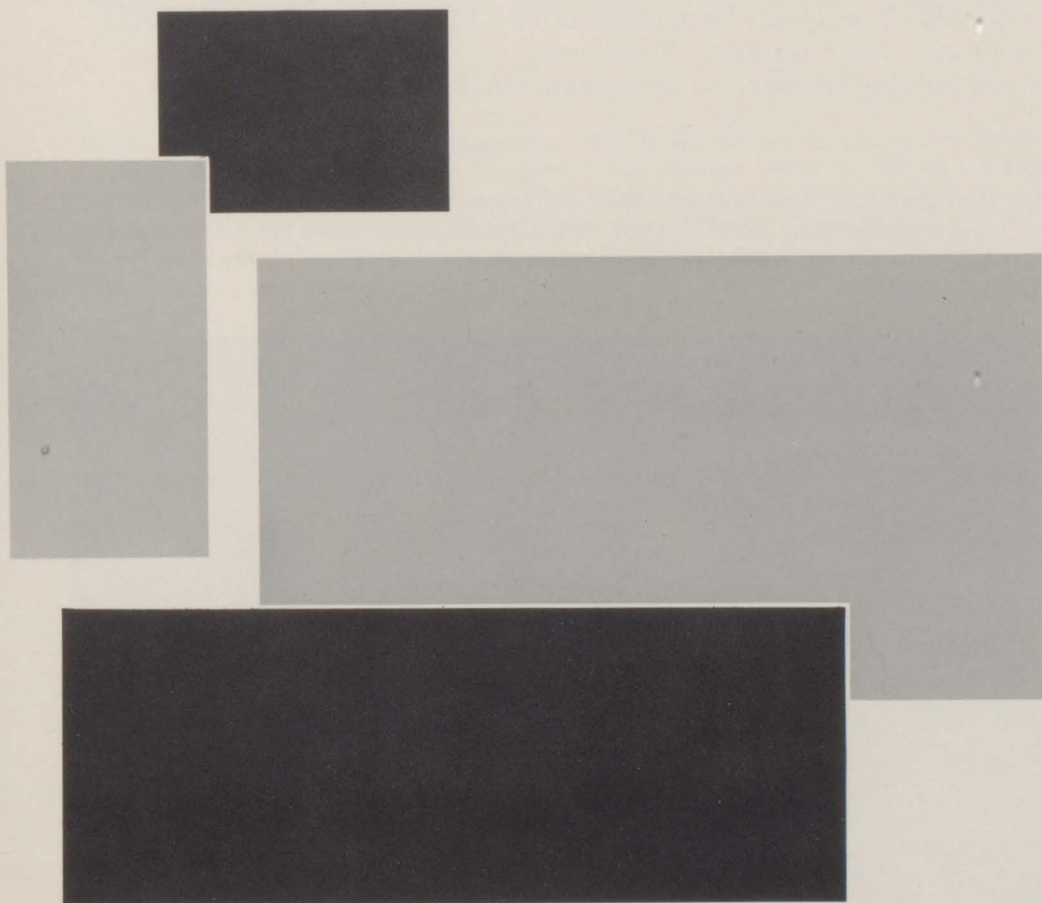

Mr. Wood was our assistant class advisor during our senior year. He was also our yearbook advisor. We appreciate the help and guidance he gave us, especially for our successful yearbook dance in January.

Thank you, Mr. Wood.

Two Eighth Graders talking things over

CLASS OF '67

Although the Seventh Grade had no class officers, the separate homerooms did elect homeroom officers.

Because this was their first year at Harbor High, the class did not do much in the way of money-making projects. This year was mainly a training period for things to come--both in studies and class activities. The Seventh Graders seemed to be an outgoing group as they took part in or attended many of our school's social functions.

Mr. Wasulko, the class advisor, says that much can be expected of the members of this class in their future years at Harbor High.

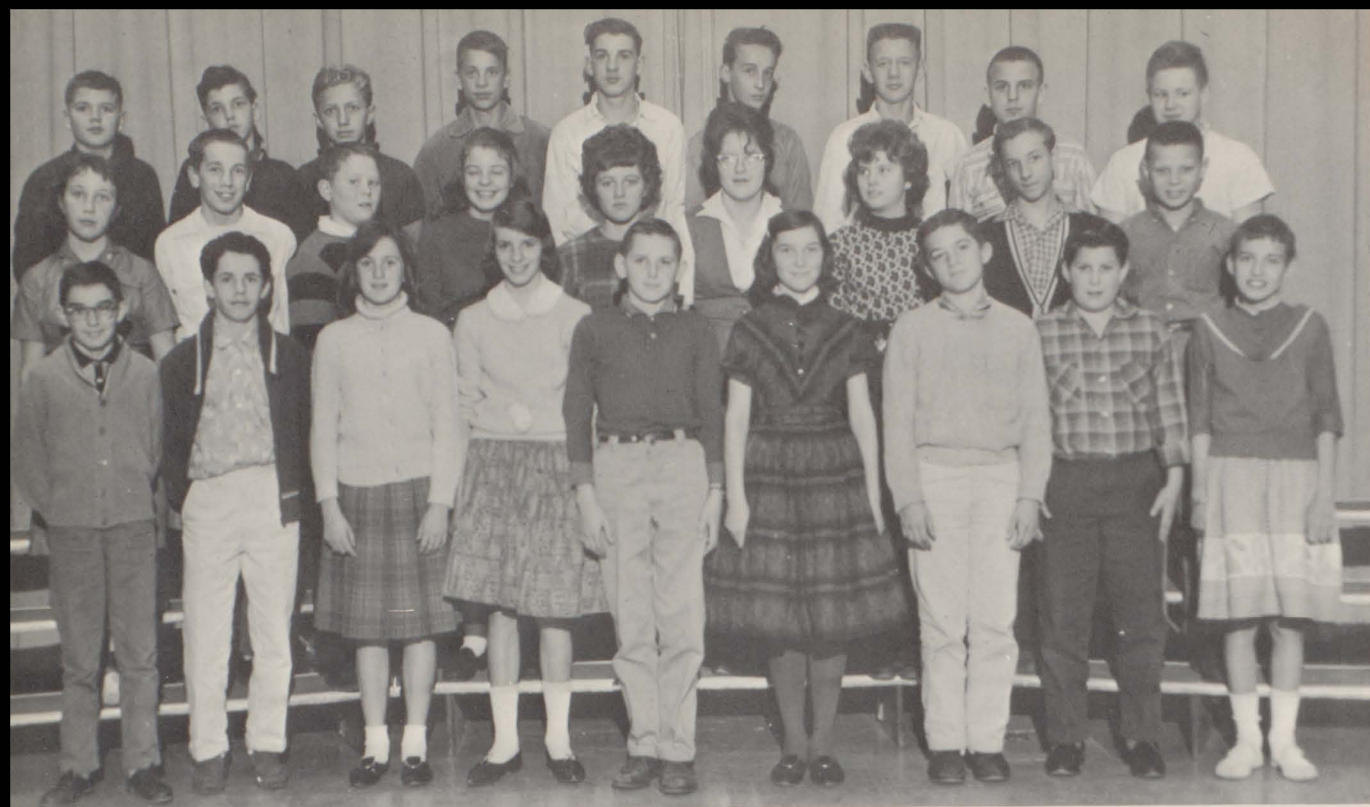

ROW 1: Kathy Mackynen, Jim Lambros, Peggy Merritt, Julene Sippola, Jill Huggins, David Gill, Vicki Marlin. Dave Floor

Mike Kane, our quarterback, and Dave Floor, our halfback, were the co-captains this year. Both were outstanding players. Mike was named the most valuable player and Dave made the most points during the season. The two boys led their team well.

Mike Kane

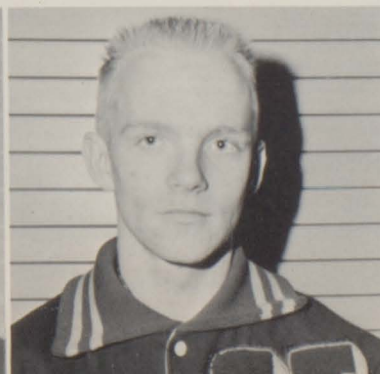

Under the leadership of head coach John Abel and assistant coaches William Wasulko and Dom Cava-lancia, our football team did well this year, finishing the season with a record of five wins, two ties, and three losses. The boys worked very hard and deserve credit for a job well done.

Besides co-captains Mike Kane and Dave Floor, this year eight other senior boys are graduating from the foot-ball ranks. We are very proud of our seniors on the football team and feel that they did a wonderful job. Bill Borner was our powerful guard, Wayne Ritari and Mark Shaughnessy were our speedy ends, Dick Morrison our quarterback, Dave Williams our halfback, and Tom Towers our center. Gary May and Kurt Morse have both been excellent managers of the team.

HARBOR HAS WINNING SEASON

"I have never seen a basketball team with more spirit." With these words of Head Coach Ed Armstrong, one can go on to describe our 1961-1962 basketball team. This season has been an especially exciting one for players and fans alike. Although the Mariners were not victorious in all their games, they never once let their school down. We were very proud to support our fine team, its coaches, and the cheerleaders.

This was Mr. Armstrong's first season as head basketball coach. Mike Kane was the captain of the team. Harbor finished in first place in the Western Reserve League, along with Chardon and Perry.

TRACK

Elmer Gray

Due to Mr. Gray's illness, we regret that we were
unable to obtain a picture of him. He has been
Harbor's track coach for several years and has helped
the boys through many successful seasons.

This year we have eight Senior High Varsity Cheerleaders, who have a total of thirty years of service among them.

During the football season four of the girls attended a cheering clinic at Kent State University. There they learned many new songs and cheers which they brought back to Harbor with them.

During basketball season they purchased new uniforms which consisted of sweaters with the Harbor "H" and purple wool pleated skirts.

The girls often had to brave bad weather, but they always gave the team their full support.

At the time of initiation each new member is given a gold pin with the principles of the society and a torch symbolizing the "light of truth" inscribed upon it.

SENIOR GIRLS' CLUB

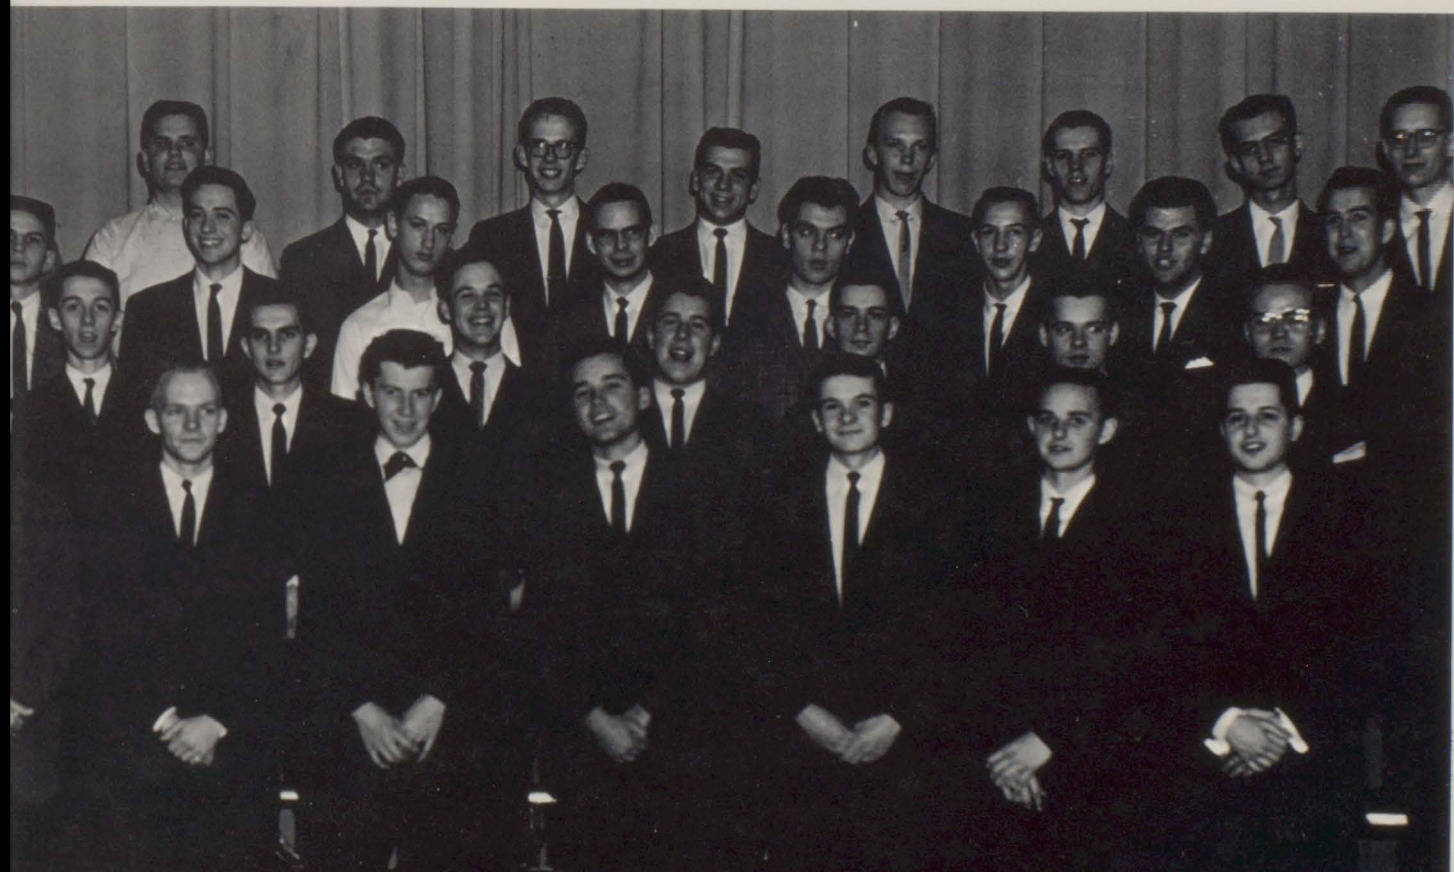

The Senior Girls' Club, which has been an active organization since 1919, has again proved its superiority as a club. This year it has profited both financially and socially.

The girls raise money by selling candy at school and popcorn at the concession stand during the football games. With the money made from these various projects, they leave a gift to the school.

The girls also enjoy social activities such as Halloween, Christmas, and Valentine parties. An extra-special event is the initiation of the junior girls in May.

BAND

Jacqueline Joan Osinski, known as Jackie to all, came to Harbor High School in the spring of 1959. While attending school in Worthington, Pennsylvania, she was active in the band. Thus upon coming to Harbor, she immediately joined the music societies. Jackie has been in both the marching band and the concert band, holding the office of secretary in her Junior year.

She has also been a majorette for three years. This past season, as head majorette, she led our marching band in many successful halftime shows.

On Sunday, November 5, 1961, our band journeyed to Buffalo, where they appeared as halftime entertainment for the football game between the Buffalo Bills and the Oakland Raiders. Jackie did a fine job of directing the band in a truly marvelous performance.

Students of all grades will always remember Jackie for her many contributions to Harbor High School.

SHUFFLIN' OFF TO BUFFALO

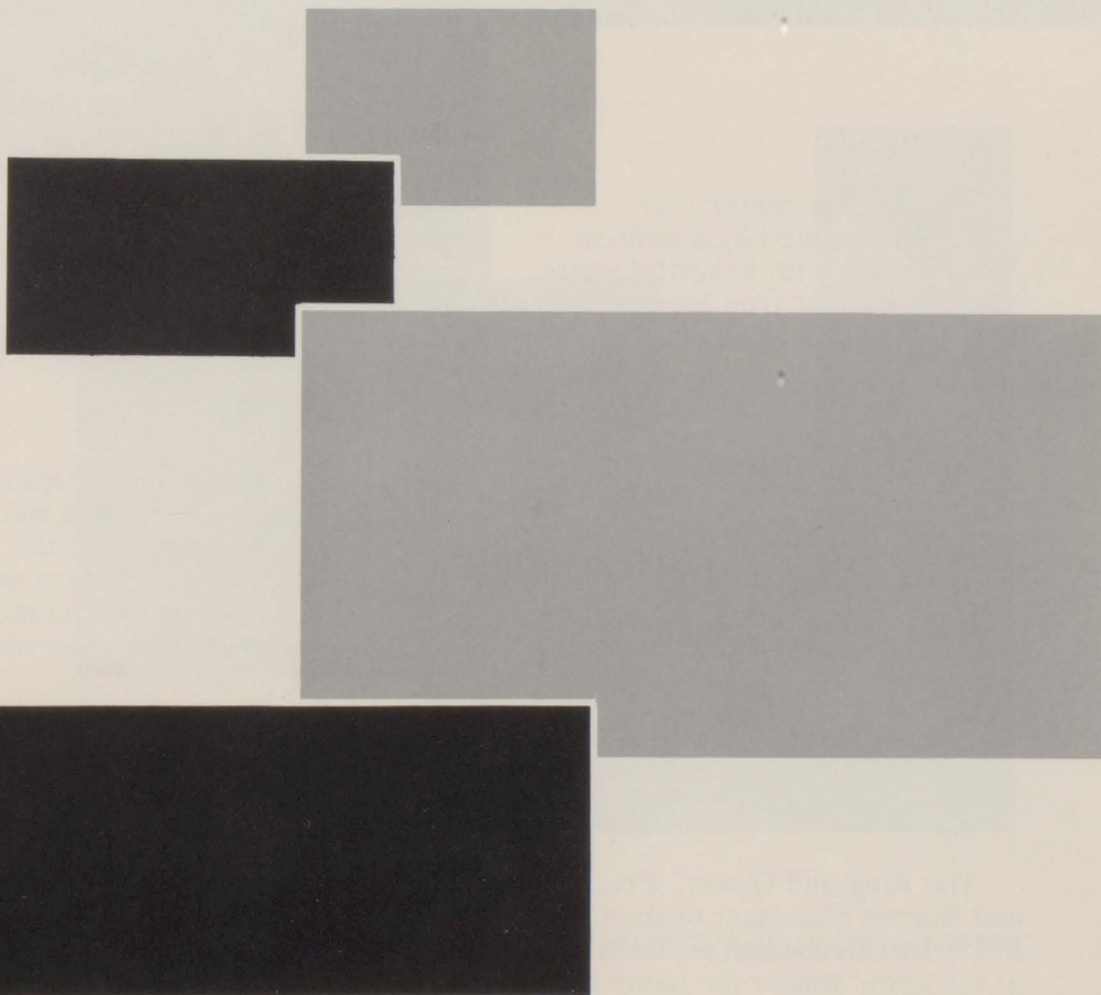

On November 5, 1961, our marching band attended the Buffalo Bills-Oakland Raiders football game in Buffalo, New York. At the half of the game, the band presented a precision marching show, "Diamond Maneuvers." The band, which had been practicing this show for several months, gave an excellent performance. They received many compliments from the press, Harbor High School alumni, and former members of the band. The game and the halftime show were broadcast on television, so many of us were able to watch our band.

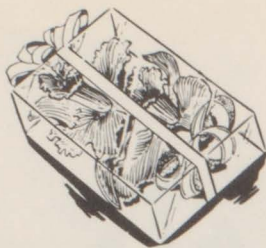

The busses, decorated with gay signs made by some of the senior members of the band, left Ashtabula at 8:00 A.M. on the morning of November 5. They arrived in Buffalo at 12:00 noon. After the game the members again boarded the busses. They stopped for dinner at 7:00 and then arrived in Ashtabula at 8:30.

The chaperones on the trip were music booster officers and parents of band members.

We students are very proud to have been so excellently represented by our band in Buffalo. All the band members will remember this experience as one of the most exciting and rewarding in their band careers at Harbor High.

Special Activities

PORTRAIT OF

On May Twenty-Seventh, Nineteen Hundred Sixty One, our Junior-Senior Prom, "Portrait of the South," was held in the Fawcett Gymnasium. The gym was decorated to give one the impression of being in the garden of a southern plantation.

At the south end of the gym was a white mansion surrounded by flowers.

The center was dominated by a cement patio with beautiful white wrought iron love seats and a bubbling fountain.

The tables were separated from the dancing area by a white picket fence. We danced to the music of Bobby Few's Orchestra until midnight, when another combo, Joe Montanaro's took over until the end of our prom.

The King and Queen, Frank Knudsen, and Sharon Merchant of the Class of 1961, were crowned at the north end of the gym, where the name of our prom was spelled out in pink fluffy flowers.

THE SOUTH

STRAINS OF SOFT MUSIC, MINGLED WITH LAUGHTER, WERE HELD BY THE HEART AND REMEMBERED LONG AFTER.

TO OUR FRIEND AND TEACHER . . .

We, the students of Harbor High School, wish to pay a well-deserved tribute to Mrs. Ileta Norris Eddy, who retired on January 25, 1962. Many of us will remember Mrs. Eddy as one of the best teachers and finest women that we have ever known. We will not forget the many things that she taught us. Not only did we learn the subject matter of her courses; we learned many other, perhaps more important skills, such as learning to respect our teachers and learning the value of careful and diligent study. Her classes were always interesting, and often we left her room with new and interesting ideas and feelings.

Mrs. Eddy, the daughter of Mr. and Mrs. Benjamin Norris, was born on March 25, 1902. She attended West Elementary School and graduated as salutatorian of the Ashtabula High School Class of 1919. In 1923 she graduated with a bachelor of arts degree from Flora Stone Mather College at Western Reserve.

Mrs. Eddy's first teaching job was in Independence, Ohio, where she taught during the years 1923-1924. In September of 1924 she began her teaching career at Harbor High School. Room 305 was assigned to her then and she remained there throughout the 34 years that she taught in our school.

She taught many courses--Latin, Spanish, English, history, hygiene, geography, sociology, psychology, and Medieval History. Her favorite course was Latin American Culture. Students who took this course learned many aspects of the lives of our neighbors in South America. They did such interesting things as cooking Spanish food and sewing South American flags.

Mrs. Eddy was very active in extracurricular school activities. Many people will long remember the beautiful Roman Banquets which were presented under Mrs. Eddy's leadership. These were very grand and elaborate affairs. The students of her classes portrayed the nobility and the slaves. The banquets featured a candlelight supper and an impressive program given in Latin.

Another of Mrs. Eddy's activities was to accompany a group of Latin students to the Ohio State Junior Classical League Convention which is held yearly in Columbus, Ohio. Mrs. Eddy's Latin and Spanish Clubs, both of which she was the advisor, adopted needy families at Christmas time. She always helped to make our annual school carnival a success.

Mrs. Eddy is a member of the First Methodist Church. She was an active member of the Harbor Women's Community Club, an organization which no longer exists.

Mrs. Eddy's son, Robert, is a teacher in Chardon, Ohio. He has a four-year-old daughter, Linda. Clarence Eddy, Mrs. Eddy's husband, passed away in 1958. Many people knew Mr. Eddy, as he was a ticket taker at athletic events for many years.

During her retirement, Mrs. Eddy plans to do some tutoring and is going to pursue her favorite interests--gardening, stamp collecting, and taking trips to the New England states.

Harbor High has lost a most wonderful teacher who can never really be replaced. Mrs. Eddy is a woman who truly loved her work as a teacher and always did her utmost to help her students. We respect her and love her for giving so much of herself to educate us. Thank you, Mrs. Eddy, and we all sincerely wish you a long and happy retirement.

Mrs. May Hurst has replaced Mrs. Eddy during the second semester of this year.

CLASS PROPHECY

It is now June, 1982. Twenty years have passed since we graduated from dear old Harbor High School. During these twenty years we have not forgotten our high school friends, and so once more we gather together at our class reunion to renew old friendships, to relive old experiences, and to reveal our past successes and present and future plans.

Recognition has been given for:

- Farthest distance: Hans Stolz, who traveled all the way from Tubingen, Germany
- Married longest: Frances Depue, who will be celebrating her twentieth wedding anniversary this summer
- Married shortest: Kurt Morse, who was married just five months ago
- Most children: Ruth Heino, with eight lovely children
- Youngest child: Dick Morrison, with a four-month-old baby boy

Now let's take a look as to what the class members are doing in the way of vocations.

Jon Ahlquist is the professor of philosophy at Western Reserve University. Also in the University Circle in Cleveland, we find Joan Gardner as the night supervisor of nurses at Mount Sinai Hospital.

Over in New York, Linda Bollman, now nationally known by her stage name of Lisa Bouvier, is starring in the new Broadway comedy, "Never Trust Your Wife." Linda's personal attendant, Charlotte Cummins, says that her performance is superb. The male romantic lead in the comedy is convincingly played by another Harbor grad of 1962, Pete "Baldy" Macaulay. In Radio City we find Linda Macaro employed as the assistant director of the New York Philharmonic Orchestra.

Gary Parker has published his book, "Pucker Was a Picker by Parker." This autobiographical satire is delightfully illustrated by Janet Uitto of Ilene Illustrators, Inc. Adele Purtilo has just written a book entitled "Chemistry Can Be Fun." Also in the literary field is Susan Eichhorn, society editor of the Jeffer-son Gazette. The printer of this newspaper is Tom Johnson.

Jim Buckley, of Buckley's Travel Agency, tells us that we can now enjoy a honeymoon to the moon for just \$950, tax included. Kurt Morse and his new bride, who have just returned from such a trip, assure us that it is an experience to be remembered and that it is worth every cent of the cost.

In Erie, Pennsylvania, a new branch of MacDonald's Drive-in has been opened by Carol Peterson and her husband. Carol tells us that business is booming and that the firm has now sold a total of 2,300,000,000 hamburgers.

Anita Donatone is the proprietor of 'Nita's Beauty Salon. Anita appears weekly on Yvonne Harford's television show, "Bumping Your Way to Beauty with Butchie," where she displays her new hairdos. Anita's able assistant is Kathy Gowday.

In the teaching profession we find Cheryl Orr, who now resides in Room 305 of Harbor High School, where she teaches Latin to the children of many of us here. Also still found in the halls of Harbor High are Bill Musolff, print shop

instructor; Dexter Garfield, drivers' training instructor; and Ed Fader, psychology teacher. Judy McMorris is the school nurse at Thomas Jefferson School.

In Chicago, Jackie Osinski is teaching baton lessons to prospective majorettes.

Merle Raisanen, who is unable to be with us this evening, is touring the United States as the climax of her winning of the Mrs. America contest.

Gary May can be found at May's Yacht Club, which is known all along the shores of Lake Erie. Along Gary's docks can be seen many boats, many of which are produced at Dick Morrison's Molded Fiberglass Co. in Ashtabula. David English demonstrates the speedy crafts.

Peter Laird can be contacted at the Laird Lumber Co. in Ashtabula. His son, P. F., is quickly learning the tricks of the lumber trade.

Wayne Nieminen, disc jockey at WREO, tells us that the new record cut by The Monotones--a group consisting of Babe Shaughnessy, Mouse Nyland, and Frank Martin--has just reached the million mark in sales. Judy Andersen, also in the recording business, has released her fifth album.

Bill Borner is nearing the completion of his new dictionary for college students--"Borner's Revised Collegiate Edition."

Kaye Andres and Lynn Willis are in the employ of the John Powers Modeling Agency. Their pictures can be seen in such magazines as the "Vogue," of which Carol Cross is the fashion editor.

Craig Walrath, residing in Chicago, Illinois, married a high school sweetheart and now has a fine family of one girl and six boys.

Jinny Bishop, now living in Hawaii, remarks that her life is "philled with happiness."

John Dioneff has found success in the wrestling world. His professional name is Big Bad John.

Carol Bollman, mother of three sets of twins, has won the Mother of Twins Contest in Ashtabula for two consecutive years and expects to continue her winning streak.

Bob Felt and Jim Childs are now co-owners of the huge parking lot in Disneyland, California. Michaelaetta Bruno, who visited Disneyland during her tour of California last summer, reports that most of California's traffic accidents happen there.

Two of our more famous students are Mike Kane and Mary Symes. Mike is now a scientist at Cape Canaveral and is currently working on the Pluto rocket which is to put Mary Symes, the United States' first spacewoman, into orbit next September. Also important at Cape Canaveral are Terry Hammer, Ray Stranman, and Wayne Sedmak. These brave men compose the crew that cleans up after a rocket blows up instead of blasting off.

Las year Carol Cermelj held a week-long national cheering clinic in Washington, D.C., and is already making plans for another one. Dick Huhta and Wayne Ritari, the two senators from Ohio, say that the clinic will certainly be long remembered at the White House, as no work was accomplished during the entire week.

Dave Floor and Tom Towers, halfback and center for the Cleveland Browns, are anticipating a great season for their team next fall.

Every Thursday night on television you can see Dave Williams starring in his dramatic program, "Calling Dr. Williams." Also appearing in the series are Joan Luce as head nurse of the hospital and Noel Armstrong as the hospital's ambulance driver. Another television program "The 1:00 Club," features Ruth Heino, Sandra Jarvi, and Flora Simmen as they discuss everything under the sun. The male commentator of the show is Paul Narducci.

Barbara Buona is a nurse at Brown Memorial Hospital. She recently treated John Greener for a broken hip he received during a Twist Marathon.

Karen Bordeaux, head chemist at M.I.T., has devised a way to make gasoline from water. Many people, including Heikki Lamberg, who now owns a large gasoline and oil company, and David Cousins, up-and-coming-car manufacturer, are anxious to see if Karen's formula will really work.

David Schauweker, who is a pharmacist, now owns Turner's Drug Store and is planning to expand next spring so that he can put HIS name on the sign.

Myron Niemi and Bill Niemi have formed a corporation--Niemi and Niemi, Inc.--but they haven't as yet decided what to do with it.

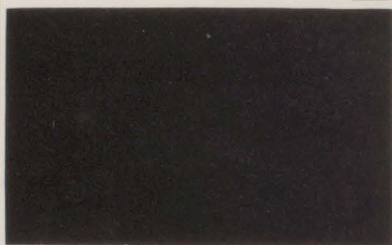

Charles Stanley is having a wonderful time hosting Stanley home parties.

Marcia Lintala is a successful auctioneeress at the Dorset Auction Barn. Marcia attributes her strong voice to many years of cheering at dear old Harbor High. Marcia's assistant auctioneer is Howard Luce. Bill Duff is often found at the Barn buying horses for his ranch in Texas.

And so we find out what our friends have done with their lives since our graduation in 1962. Ah, those were the good old days. We recall old memories and laugh again at the jokes of the past. We remember our prom and the fun we had while decorating for it. We remember class plays, class dinners, and other class projects. We remember all the football and basketball games that we attended and how we cheered our team on to victory. We remember how we loved and lost and loved again. Yes, we remember all these things and we always will, for we all know that our years at Harbor High School were among the best years of our lives.
